

ERMIS – Interoperability Infrastructure for Service Transformation

International presentations and publications

1. Charalabidis Y., Lampathaki F.: “Modelling Governmental Information in Greece and Eastern Europe”, IDABC/SEMIC.EU Workshop, February 2, 2009, Brussels
2. Stassis A., Charalabidis Y.: “The Greek eGovernment Interoperability Framework”, The European Interoperability Framework Information Day, European Commission / IDABC, 25th June 2008, Brussels.
3. Lampathaki F., Charalabidis Y.: “Greek eGovernment Interoperability Registry – An Overview”, in CEN/ISSS eGovernment Workshop (eGOVShare), 12th June 2008, Brussels.
4. Charalabidis Y.: “Advancing Interoperability Standardisation and Conformance with the use of Federated Registries”, B2B Testing Network Workshop, ETSI, 8-9th July 2008, Sophia-Antipolis, France.
5. Charalabidis Y., Koussouris S., Askounis D.: “Building eGovernment Service Portals for Local Administrations: A Cookbook Approach”, International Journal of Innovation and Regional Development, IJIRD, Vol. 1, No. 3, pp. 255 – 275, Inderscience Publishers, 2009, ISSN 1753-0660.
6. Charalabidis Y., Lampathaki F., Kavalaki A., Askounis D.: «A Review of Electronic Government Interoperability Frameworks», International Journal of Electronic Governance, IJEG, Inderscience Publishers. (accepted for publication on 23/10/2008, to appear)
7. Charalabidis Y., Lampathaki F., Askounis D.: “Unified Data Modelling and Document Standardization Using Core Components Technical Specification for Electronic Government Applications”, Journal of Theoretical and Applied Electronic Commerce Research, Special Issue on "Electronic Document Interoperability in eBusiness and eGovernment Applications", JTAER, Vol. 3, Issue 3, pp. 38-51, December 2008, ISSN 0718–1876.
8. Sarantis D., Charalabidis Y., Psarras J.: “Towards Standardising Interoperability Levels for Information Systems of Public Administrations”, Electronic Journal for e-Commerce Tools and Applications (eJETA), University of Texas at Arlington, USA, May 2008.
9. Charalabidis Y., Lampathaki F., Askounis D.: “Metadata Sets for e-Government Resources: The Extended e-Government Metadata Schema (eGMS+)”, 8th EGOV Conference 2009, Linz Austria, September 2009 (accepted for publication on 6/5/2009).
10. Charalabidis Y., Lampathaki F., Askounis D.: “A Comparative Analysis of National Interoperability Frameworks”, American Conference on Information Systems (AMCIS), eGovernment Track, 6-9 August 2009, San Francisco, US (accepted for publication on 3/4/2009).
11. Charalabidis Y., Sarandis D., Askounis D.: “A Goal-Driven Framework for Electronic Government Projects Management”, American Conference on Information Systems (AMCIS), eGovernment Track, 6-9 August 2009, San Francisco, US (accepted for publication on 3/4/2009).
12. Lampathaki F., Gionis G., Askounis D., Enabling Semantic Interoperability in eGovernment: A System-based Methodological Framework for XML Schema Management at National Level, to be presented in the 15th Americas Conference on

Information Systems (AMCIS), San Francisco, August 2009 (accepted for publication on 3/4/2009).

13. Charalabidis Y., Lampathaki F., Askounis D.: "Adding Systems Support to National Government Interoperability Frameworks: A Good Practice Example from Greece – A Possible Strategy for European Member States", 7th Eastern European eGovernment Days (Austrian Computer Society), 22-24 April, 2009, Prague, Czech Republic.
14. Charalabidis Y., Lampathaki F., Psarras J.: "Combination of Interoperability Registries with Process and Data Management Tools for Governmental Services Transformation", IEEE Computer Society Proceedings of the 42nd Hawaii International Conference on System Sciences (HICSS), pp. 1-10, 3-5 January 2009, Hawaii. (Best Paper Award Nominee)
15. Sarantis D., Tsiakaliaris C., Lampathaki F., Charalabidis Y.: "A Standardization Framework for Electronic Government Service Portals", Information Systems Development (ISD 2008), 25-29 August 2008, Paphos, Cyprus.
16. Charalabidis Y., Lampathaki F., Sarantis D., Sourouni A.M., Mouzakitis S., Gionis G., Koussouris S., Ntanos C., Tsiakaliaris C., Tountopoulos V., and Askounis D.: "The Greek Electronic Government Interoperability Framework: Standards and Infrastructures for One-Stop Service Provision", in the Panhellenic Conference of Informatics (PCI 2008), IEEE Publications, 25-28 August 2008, Samos, Greece.
17. Charalabidis Y., Lampathaki F., Sourouni A.M., Askounis D.: "Governmental Interoperability Service Utilities: The way forward for Zero-Stop Electronic Service Composition and Provision", in eChallenges 2008 Conference, IOS Press, European Commission, October 24-28, 2008, Stockholm.
18. Sourouni A.M., Lampathaki F., Mouzakitis S., Charalabidis Y., Askounis D.: "Paving the way to eGovernment Transformation: Interoperability Registry Infrastructure Development", in Lecture Notes on Computer Science Volume 5184, pp. 340-351, Proceedings of Seventh International Electronic Government Conference (EGOV 2008), DEXA, IFIP, September 3-7, 2008, Torino, Italy. (best research paper award)
19. Charalabidis Y.: "Ontological Support in eGovernment Interoperability through Service Registries", Interoperability of Enterprise Systems and Applications Conference, i-ESA 2008 (IFIP), 25-28 March 2008, Berlin.
20. Charalabidis Y., Askounis D.: "Interoperability Registries in eGovernment: Developing a Semantically Rich Repository for Electronic Services and Documents of the new Public Administration", 41st Hawaiian International Conference on System Sciences (HICSS), January 7-10, 2008, Hawaii.
21. Charalabidis Y., Tschichholz M., Hopkirk A.: "Advancing the eGovernment Interoperability Framework in European Countries: Architectures, Challenges and Perspectives from the new Greek eGIF", in eChallenges 2007 Conference, European Commission, October 25-28, 2007, The Hague.
22. Fenareti Lampathaki, Yannis Charalabidis, Demetrios Sarantis, Sotirios Koussouris, Dimitris Askounis: "E-Government Services Composition Using Multi-faceted Metadata Classification Structures", in Lecture Notes on Computer Science Volume 4656 pp. 116-126, Proceedings of the 6th International Conference, EGOV 2007, Regensburg Germany, September 2007.
23. Charalabidis Y., Lampathaki F., Askounis D., Stassis A.: "Shifting To Second Generation E-Government Interoperability Frameworks", in 6th International Conference, EGOV 2007, September 2-7, 2007, Regensburg.

24. Y. Charalabidis, F. Lampathaki, A. Stassis: "A Second-Generation e-Government Interoperability Framework: the Greek eGIF Case", Eastern European eGovernment Days Conference (eeeGOV Days 07), organized by the Austrian Computer Society, 12-13 April 2007, Prague, Czech Republic.
25. G. Gionis, Y. Charalabidis, D. Askounis: "Capturing Legal Issues: A Methodological Framework to Serve All Needs" Workshop on "Enterprise Software Application Interoperability for Businesses and Governments" (ISBG 2006), in Conjunction with PAKM 2006, 29-30 November 2006, Vienna, Austria.
26. Y. Charalabidis: "Building a Second Generation e-Government Interoperability Framework : Standards, Schemas and Specifications", Workshop on "Enterprise Software Application Interoperability for Businesses and Governments" (ISBG 2006), in Conjunction with PAKM 2006, 29-30 November 2006, Vienna, Austria.
