EU-forum, and group chairmen Øresunddirekt (ØD), bid the participants welcome  
Brief introduction to project PPP/good practice, by EU-forum

Introduction to the day's programme, by ØD

- Why are we here?
- What are the participants' expectations?

### **11.30-12.45**

ØD case-study section

- Brief introduction to ØD and its staff members
- What is the Øresund region?
- What is ØD's function within the region?
- How does ØD operate?

### **12.45-13.30 Lunch**

### **13.30-14.00**

Presentation, by Jan Horskjær, Head of Information and Communications, City Council of Copenhagen, explaining the 'ownership minus leadership' model of ownership structure which underlies ØD as an organisation. The freedom implicit in this model enables ØD to work progressively.

**14.00-14.15** Q+A, and open discussion following from above presentation.

15 min. break

### **14.30-15.45**

Mini-workshop – Participants' perspective

The activities and challenges of the participating organisations are discussed, in light of the issues pinpointed by the case-study.

- What challenges do cross-boundary information-services and other e-government services face today?
- What examples of 'good practise' do the participants bring with them from their respective organisations?

### **15.45-16.15**

Open discussion – a roadmap for successive project-meetings is established, using feedback on the day's proceedings from the participants. Establishment of practical means of communication between the participants and ØD.
