

Public Contracts Scotland

This table shows the number of contracting authorities which were originally within the scope of the project.

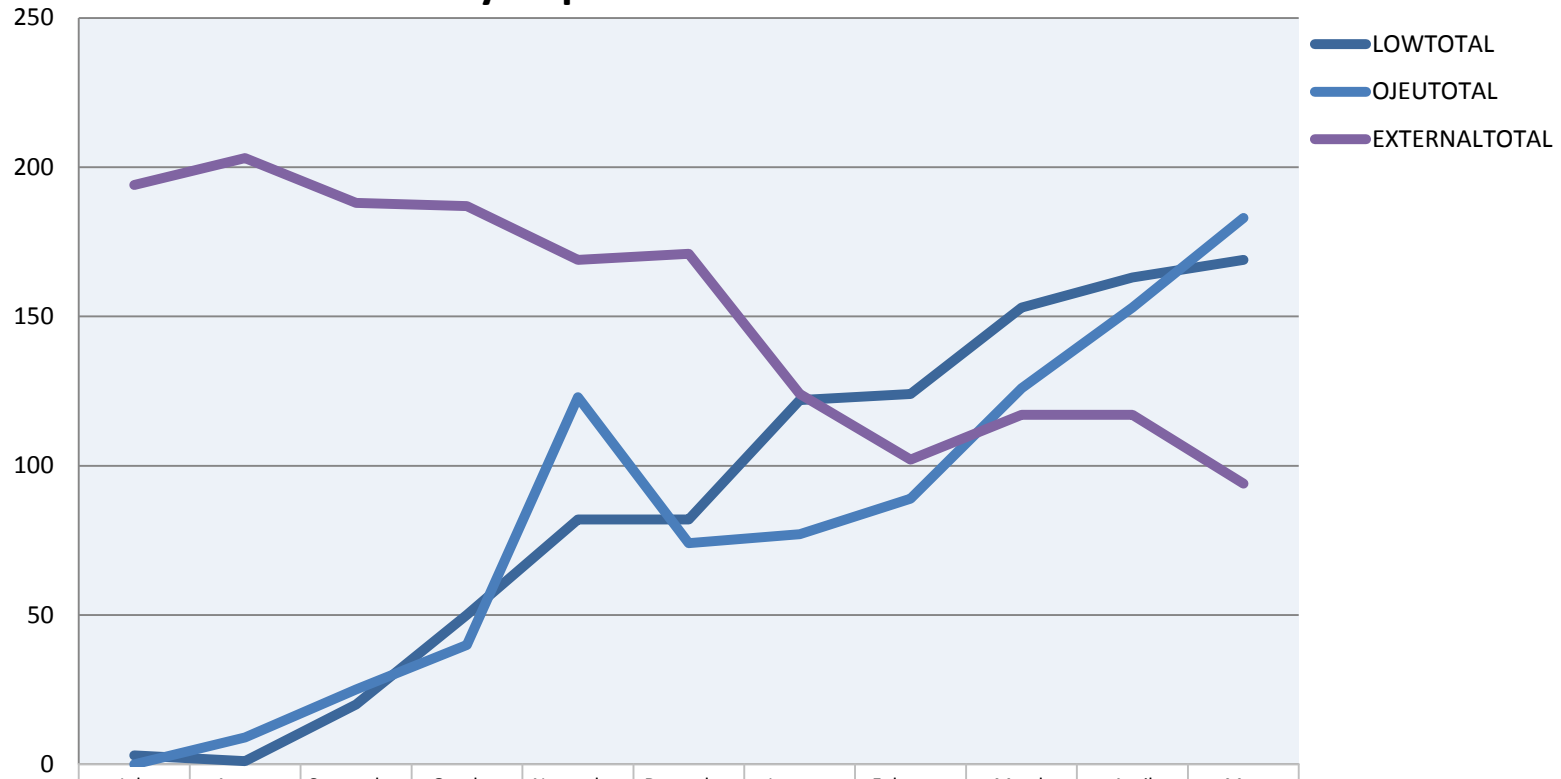

At June 2009 there are already 125 contracting authorities actively publishing tender information through Public Contracts Scotland – exceeding the target set.

Active Contracting Authorities

	No. of organisations in scope	Target June 2009 50%
Total (Target)	185	91
Total (Active Authorities)		125

This graph shows the increase in the number of OJEU and low value notices published through the portal within one year of the project launch.

Notice Summary Report

	July	August	September	October	November	December	January	February	March	April	May
LOWTOTAL	3	1	20	50	82	82	122	124	153	163	169
OJEU TOTAL	0	9	25	40	123	74	77	89	126	153	183
EXTERNAL TOTAL	194	203	188	187	169	171	124	102	117	117	94

This demonstrates the number of suppliers registering each month for Public Contracts Scotland. The total is now at 27,500.
