

## Join us: European eGovernment Awards 2009 Information Day

April 2009

European Commission and European eGovernment Awards Consortium

---

*The European Commission invites you to participate in the 4th European eGovernment Awards 2009 Information Day on 21 April in Brussels (BE).*

---

The information day offers a unique opportunity to learn more about this year's awards, the submission and selection process, and the **European Ministerial eGovernment Conference**, entitled "**Teaming up for the eUnion**", to be held on 19 and 20 November in Malmö (SE). At the information day, all those interested in submitting a case for the European eGovernment Awards 2009 will be able to ask questions and will have the chance to meet members of the European eGovernment Awards Consortium and European Commission representatives.

Participation is free of charge; however, you must register on the [epractice.eu](http://epractice.eu) portal.

Since 2003, the prestigious European eGovernment Awards have been awarded for outstanding practices in Information and Communication Technologies (ICT) use in European public sector organisations.

The solutions presented and experiences shared through previous editions of the European eGovernment Awards have inspired many others and contributed to the implementation of European eGovernment strategies and action plans. The European eGovernment Awards are organised every two years. They play a major role in the European Commission's good practice exchange initiative in the field of eGovernment.

**Date:** 21 April 2009
